Mark almost anywhere with pre-inked Industrial Stamps. Our proprietary ink formulation is fast drying, permanent and water resistant when fully cured. Uniquely designed caps are engineered to keep ink from drying out, extending the functional life of the stamp. These stamps are ideal for marking any slick or hard to mark surface such as metal, glass, plastic, leather, glossy paper, etc.

Rubber Stamp Pricing

Quality made in natural rubber, not "plastic" polymer, to your own custom specifications. An efficient and economical way to communicate or identify.

Rubber stamps are measured by the longest line in the stamp.
Each 1/4" in height of type face (24 point) counts as one line.
Each blank space of 1/4" between lines counts as one line.
Each 1/4" in height of artwork (logos) counts as one line.
A \$5.00 (net) charge may be added if artwork needs editing.

EXAMPLES

FOX STAMP = 1/4" = 1 LINE

FOX S = 1/2" = 2 LINES

Every 2 straight lines count as one line. Curved lines and borders and curved type count as two lines.

===== = 1 LINE

FOX STAMP & SIGN = 2 LINES
(ONE 24 PT LINE OF TYPE CURVED)

————— = 2 LINES
(ONE CURVED LINE)

URGENT = 3 LINES
(ONE 24 PT LINE OF TYPE WITH BORDER)

CHECK ENDORSEMENT STAMPS - \$19.15 for the first 6 lines of copy. Additional lines are 90 cents each. Standard bank preferred format will be used.

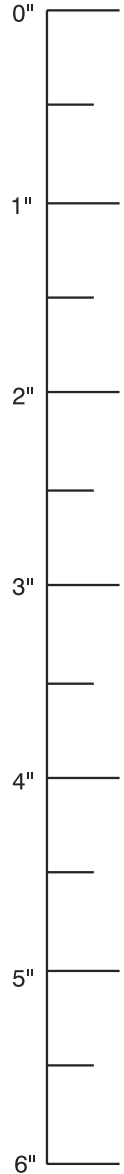

SIGNATURE STAMPS - \$24.95 for one signature. Double signatures are \$36.95 and triple signatures are \$42.95. Best results are from a fine point black felt pen on white unlined paper. Please sign at the exact size needed.

SEAL STAMPS - \$31.95, round or rectangular using standard state format. Notary Public, Corporate, Engineer, Architect, Certified etc.

BULK RATE STAMPS \$24.95

Reverse Engraved, Vinyl & Printed Signs and Name Badges

We have many Plastic Color options available. We can do a wide variety of Fill Colors for reverse engraved plastic as well. Advances in printing technology, including our state-of-the-art UV LED printer allows us to print on almost any material in full-color. UV printing is an expansive alternative to engraving and vinyl lettering. Please call our customer service team for a custom quote. Email us your artwork and we will see what we can do. Emails can be sent to: orders@foxstamp.com
